Honorable Stacy L. Ruble, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, DC 20268-0001

Dear Mr. Ruble:

On May 30, 2017, the Postal Service filed the FY2017 Quarter 2 Measured/Unmeasured Volume report. Upon further review, it was determined that certain volume numbers in Column D ("Total Number of Pieces Eligible for Full-Service IMb"), Column E ("Total Number of Full-Service IMb Pieces"), and Column G ("Total Number of Full-Service IMb Pieces Excluded from Measurement") needed to be corrected. We have undertaken to correct these cells; the revisions to the cells are shown in yellow in the enclosed electronic file.

Please contact the undersigned at (202) 268-3009 if further information would be helpful.

Sincerely,

B.J. Meadows III
